

Town of Fremont
SPRING BULKY DAY
22 MAY 2010

IMPORTANT NOTES:

We open at 8:30 am. **DO NOT come early**, as you will have to wait in line, causing traffic backups. After 9:00 am, you will have a better chance of a reduced wait. We close promptly at 1:00 pm.

Bring a form of I.D. Only Fremont residents may drop off items.

Have your ID ready as you approach the entrance.

The entrance and exit will be marked. Please watch for signage and traffic control on Route 111A.

The ENTRANCE is the roadway closest to Village Market.

Traffic is ONE WAY around the site, and exits at the main driveway of the Highway Shed.

At each drop-off location there will be a volunteer to assist you and provide information about what items go in each of the areas.

PLEASE PAY CAREFUL ATTENTION TO THIS INFORMATION.

Items will be organized and can only go in specified locations. The volunteers are in place to ensure smooth operations and that items are placed in proper containers. You need to follow their directions provided for disposal. Volunteers will be wearing hard hats and safety vests.

ELECTRONICS: Will be handled by CRT Recycling Inc. Their truck is the ONLY place you can dispose of electronic items. A fee will be charged for televisions \$10 each or \$15 for console TV's. They will accept Telecommunications equipment, Telephone systems, Cellular phones, Cameras - Disposable cameras {complete}, Personal computers, Laptops, Routers, bridges, switches, modems, etc, Monitors (CRTs), Mainframe computers, Scanners, Printers, Fax machines, Medical & Scientific electronics (no hard drives from medical equipment), Back-up power supplies systems, Photocopiers, Toner cartridges, Photographic sound & visual recording equip, TV's, VCR's, Radios, CD players, Car stereo's, Speakers, Electronic wiring, Power cables, Electronic motors, and Other small electronics appliances. This is also the only place you can unload an air conditioner, fridge or freezer, or dehumidifier, each of which is subject to a fee of \$10. You will pay these fees at the first stop inside the gates, and be issued a tag to take to the drop-off truck.

You need to be prepared to unload your vehicle at each dumpster.

NO regular trash. We will not accept any plastic bags or boxes containing small items.

This material should be thrown out at the regular curbside trash pick-up or RECYCLED.

This restriction applies to paint cans. Please recycle them.

Swap Area. We will take items for drop-off until 11:00 am, but please consult the volunteers before dropping anything off. Fremont residents have the first choice for removing items when more than one person is interested in something left at the swap area.

Contact the Selectmen's Office at 895-2226 x 11 or email Jeanne at FremontTownHall@comcast.net if you have a few hours to share helping at this worthy community event. We NEED volunteers to make this event happen!

**NO SOLICITING OF ANY KIND IS ALLOWED AT BULKY EVENTS ON THE SITE
DUE TO TRAFFIC BACKUPS and SAFETY CONCERNS.**

BULKY ITEMS DISPOSAL DAY

Saturday 22 May 2010

8:30 am to 1:00 pm

At the Highway Site at 113 Danville Road (Route 111A)

For Fremont residents only

Please bring your FREMONT I.D.

Stoves, washers, dryers, fans, trash compactors, ovens, hot water tanks, will be accepted. Please try to limit the number of appliances you bring. Remember that you can have appliances taken away for a small charge when you buy new appliances, doing so will cut down tax costs of Bulky Day.

We will accept 20 lb propane tanks (size for a gas grill) for a fee of \$5 each. Tanks can be partially full (no need to remove valves). Valve should be in the OFF position.

Please remember to **remove gas tanks and drain the oil from lawn mowers, snow blowers, rototillers and other small, motorized items to be recycled.**

Refrigerators, Freezers, Air Conditioners and Dehumidifiers will all be accepted for a charge of \$10 per unit. You pay after entering the site and material goes in the CRT Electronics truck.

NO HAZARDOUS MATERIALS OF ANY KIND WILL BE ACCEPTED.

Items such as old sofas, mattresses, and rugs that cannot be recycled may be disposed of in the bulky item area. Please bring big, bulky items only -- things you can't put out in the trash. It costs significantly more money to dispose of a ton of bulky items as compared to a ton of regular trash.

DO NOT BRING REGULAR TRASH, IT WILL NOT BE ACCEPTED.

If bulky items are in **very good condition** and still **usable**, they can be brought (before 11 am) to the swap area.

Fremont residents have first choice of any swap items.

Non-residents must park outside the site.

TIRES

For tires off the rims: \$3 charge per passenger car tire; \$5 charge per light truck tire (up to 17" diameter); \$10 for any heavy truck tire; \$20 for tractor or skidder tires. If you leave tires on the rims, the charge will be **TWICE** that of a tire with no rim.

NONE OF THE FOLLOWING MATERIALS CAN BE ACCEPTED:

- | | |
|--|--|
| <ul style="list-style-type: none"> Yard waste (dirt, leaves, stumps, grass clippings, etc)¹ Building/Demolition Waste (dry wall, shingles, painted wood, etc)² Metal borings, turnings, or shavings 55 gallon drums with any fluid residue Air bag canisters Excessively oily materials from which oil flows or drips Whole oil tanks | <ul style="list-style-type: none"> Wet or dry transformers, capacitors, or ballasts Used crankcase oil Sealed containers of any kind (except 20# propane tanks - gas grill size - see above) Any radioactive material Medical waste Batteries of any kind Machinery containing oil of any kind or any hydraulic hoses on machines Paint containers of any kind |
|--|--|

NO HAZARDOUS MATERIAL OF ANY KIND CAN BE ACCEPTED

Notes:

¹ Yard Wastes – Leaves & grass clippings cannot be accepted at any landfills - thus, these wastes cannot be brought to the recycling site or put out with weekly trash. Allow grass clippings to remain on your lawn, or compost with leaves and vegetable waste in a compost container.

² Building/Demolition Waste - If you have building materials from renovations, make arrangements with your contractor to remove them. If you don't have a contractor, contact a licensed hauler to remove the materials.

OTHER DISPOSAL OPTIONS

If you have items that we cannot take at Bulky Day, or are outside of the Bulky bi-annual schedule, consider contacting the Raymond Transfer Station on Prescott Road in Raymond to see if you can dispose of it there. The number at the facility is 895 6273 and a fee schedule is posted on the Town's website at www.Fremont.nh.gov on the RECYCLING PAGE.

The following materials MAY be accepted on a CONDITIONAL basis:

- | | |
|---|---|
| <ul style="list-style-type: none"> Gasoline cans - opened and free of contents Oil tanks that are clean and cut in half 55 gallon drums with tops off and clean inside Mufflers and tailpipes | <ul style="list-style-type: none"> Wood waste: Brush and slash 5 inches or less in diameter Untreated wood and untreated/unpainted dimensional lumber with an end cross-sectional area of 24 square inches or less |
|---|---|

We are hoping to have enough volunteers to offer LIMITED pick-up service for elderly or disabled residents. Contact Heidi to make a request for this, at 895-2226 x 10 or by email to FremontTA@comcast.net. A maximum of two items can be picked up, and they must be readily accessible (at the end of the driveway at the curb).

If you would like to volunteer at the Bulky Day event, we would love to have you.
Please contact the Selectmen's Office by phone at 895-2226
or by email at: FremontTA@comcast.net or FremontTownHall@comcast.net

Please remember that the volunteers working at Bulky Day are your neighbors and fellow Fremont residents. Please treat them with courtesy and follow their instructions. The Town has guidelines we must follow to keep our permits at this site in good standing.
